

07 OCTOBER 2024

NATIONAL MULTIPLIER EVENT

EduPASS is an Erasmus+ project that has led to the development of education programmes for Youth Sport Coaches and Early Childhood Educators, linked to physical activity, movement, play and sport.

Profiles for both roles were developed, as well as an educational framework. This has led to the development of 6 modules for each role.

You are invited to attend this event to learn more about the profiles, education framework and the 6 modules.

You will also be asked to comment on these project outputs and indicate if they could be of use to you in your work. Your feedback will contribute to the final project resources.
